DESIGN 2023

TopTeramo®

Inspired by the Rychleby Mountains magical nature

We made the decision to develop a completely new and distinctive line of large-format XXL tiles for our customers.

DESIGN 2023

The spectacular combination of traditional terrazzo and modern flat-paving looks particularly beautiful, the fine balanced patterns in four combinable shades provide our customers with many options to customise their terrace or pool surroundings down to the finest detail in accordance with their wishes.
